

GIVING TREE

MCS students and staff will have a Giving Tree this year. Each student will decorate a “giving mitten” for our tree. Each “giving mitten” will indicate an item to purchase that will be donated to a needy recipient. All items must be NEW.

You may come in and select a “giving mitten” of your choice. You may also request that MCS send home with your child a “giving mitten” of your choice. You may wish to select more than one “giving mitten”.

“giving mitten” categories include:

- | | |
|----------------------|-----------------------|
| girl’s mittens | girl’s toy – age 6-9 |
