

REMINDER

Please note **DRESS CODE** in the **policy section** of your **Parent Handbook**.

Students should dress appropriately and comfortably to suit the weather. Washable clothes which are easily manipulated are strongly recommended. Students who are enrolled in the **extended hours** program, the **extended day/kindergarten** program, and the **elementary** program should be **prepared** for **outside activities**.

All outer **garments** should be **labeled** with your child's **first name and last initial**. Snow **boots** may **not** be **worn** during the **school** day. An extra **pair** of **canvas/athletic shoes** may be **left** at **school**. Only shoes with backs may be worn at school.

The staff and/administration reserve the right to use its discretion in determining the type of clothing appropriate for the school setting.
