

Celebrating 50 Years of Serving Children

Montessori Children's Schoolhouse (MCS) is celebrating 50 years of providing guidance and educational opportunities to children. As one of the first Montessori schools to be accredited by the American Montessori Society, MCS remains the only fully accredited Montessori school in Lake County. Currently less than 10% of Montessori schools in the United States meet the rigorous performance standards in order to be fully accredited by the American Montessori Society. In addition to **maintaining AMS accreditation since 1990**, MCS continues to receive glowing recommendations from the children and families that have been served over the past 50 years.

In order to commemorate the remarkable history of Montessori Children's Schoolhouse, we are celebrating with a dinner on **April 5, 2019 at Wicker Memorial Park Social Center**. These accomplishments are not possible without the generous support of MCS donors and supporters. The 50th Anniversary Program is the perfect way to **show your support for MCS**. Is there a teacher that made a significant impact in your life or the life of your child? Do you or your child(ren) credit MCS with setting the foundation for lifelong learning? If so, consider purchasing an ad in the program booklet. Revenue from the booklet will directly benefit MCS students.

Ads are available in various sizes and prices in order to accommodate every budget.
