

Annual MCS Fun Fair

We cordially invite you to participate as a sponsor of our annual MCS Fun Fair. This fundraising event is sponsored by Montessori Children's Schoolhouse, a 501(c)(3) nonprofit educational organization, to raise revenue to advance learning opportunities for our students.

The MCS Fun Fair will be on Friday, October 25, 2019 at the Hammond Civic Center with over 300 parents, alumni, staff, and students in attendance. There will be games for the students, a special auction featuring pumpkins decorated by the students, and door prizes. Proceeds from the event will directly benefit the children we serve.

Our mission is to use qualified staff, enriched Montessori environments, and parental involvement to develop the social, emotional, and cognitive needs of our culturally diverse student enrollment.

About Us

Since 1968, Montessori Children's Schoolhouse has provided guidance and educational opportunities as vast as a child's desire to discover. We offer toddler, early childhood, kindergarten, and elementary programs. Stimulating classroom environments promote creativity and exploration that help students develop a love for learning. We emphasize respect for others, respect for oneself, and respect for the environment to help prepare our students for a lifetime of success, both inside and outside of the classroom. MCS welcomes children of any age, race, religion, color, national, and ethnic origin.
