

MCS Families,

The Community Services of Northwest Indiana is once again hoping that MCS will help them with their annual Thanksgiving Food Drive. They sent a wonderful letter acknowledging our 393 pound donation last year. The 9-12 classroom is challenging you to increase that number!

Items will be collected from October 28 thru November 15.

Attached is a list of preferred donations.

List of most wanted food items

Canned soup-mainly chicken noodle, cream of chicken, tomato & vegetable

Canned tuna or salmon

Canned beans of any kind-pinto, refried beans, pork & beans, baked beans, black eyed peas, chili beans, kidney beans, etc.

Canned fruit

Peanut butter & jelly (in plastic containers)

Canned spaghetti sauce

We are appreciative of any and all donations! The above is in case people ask what we need/go through the most.
